WISCHOS GIFT

CORPORATE GIFT SETS · 2026

Custom *Metal* Gift Sets

Custom metal gift sets built for distributors, agencies, and corporate buyers. Curated products, verified material claims, logo-ready customisation, and managed sourcing in one accountable process.

CUSTOM LOGO

B2B INQUIRY

MANAGED SOURCING

Useful. *Interesting.* Refined.

Each set arranged around a practical business context — onboarding, desk work, field teams, executive gifting, or client appreciation. Three to four precision metal tools, matched gift box packaging, and full custom logo marking. Starting points, not fixed limits.

WGS

WGS-001-3

The Desk Starter

ENTRY-TIER DESK GIFT SET

Three tools. Every desk.

A custom desk gift set for daily branded visibility. Inkless pen, letter opener, metal bookmark — all anodised aluminium, all laser-engravable. For SME gifting, conference welcome packs, and sustainability-conscious procurement.

COMPONENTS — 3 PIECES

Executive Dual-Head Metal Pen

Gunmetal anodised aluminium · 144mm · 23.3g · Inkless tip + 0.5mm rollerball

Executive Zinc Alloy Letter Opener

Zinc alloy, high-gloss electroplated · 230mm · 74g · Silver / Gold / Rose Gold

Precision Custom Metal Bookmark

Brass / Stainless Steel / Zinc Alloy · 120–150mm · ~20g · Custom silhouette available

WGS-002-3

The Mechanical Desk

EXECUTIVE DESK GIFT SET

Built for the desk, used with your hands.

Three mechanical actions: bolt-action writing, propeller spin opening, precision fold for device support. Solid brass and anodised aluminium. Suited to design studios, tech firms, consulting, and executive gifting programs.

COMPONENTS — 3 PIECES

Brass Crown Bolt-Action Pen

Brass + aluminium body + SS clip · 138mm · 28g · G2 refill · Forest Green / Matte Black

Propeller Spinning Letter Opener

Zinc alloy, matte brushed silver · 187mm · 85g · Propeller spin mechanism

Precision Folding Aluminium Device Stand

6061-T6 anodised aluminium body + silicone contact pads · 182×60×18mm folded · 150g · MagSafe-compatible

WGS-003-3

The Pocket Three

EDC DAILY CARRY GIFT SET

Everything in your pocket. Nothing you don't need.

Branded everyday carry for teams that move between offices, meetings, sites, and travel. Brass, stainless steel, and titanium — each material chosen for its function. Brand moves with the recipient all day.

COMPONENTS — 3 PIECES

Industrial Brass Key Organizer

Solid brass, polished · 60–87mm · 11–18g · Holds up to 10 keys

Industrial Stainless Steel Money Clip

Industrial grade stainless steel · ~20g · Spring tension · Front-face engravable

Titanium Anti-Static EDC Comb

Titanium alloy, sandblasted · 100mm compact · Anti-static · Integrated bottle opener

WGS-004-3

The Field EDC

FIELD TEAM UTILITY GIFT SET

Built for the field. Sharp enough for the office.

A utility gift set for field service, logistics, construction, and safety teams. Writing, prying, cutting — three compact stainless tools selected for people working in physical environments who judge gifts by whether they solve immediate tasks.

COMPONENTS — 3 PIECES

Tactical Stainless Steel Pen

303 Stainless Steel HRC 40–45 · 152mm × 14mm · 102.8g · Tungsten-carbide glass breaker

Industrial Mini EDC Pry Bar

Stainless Steel or Titanium Alloy · ~70mm · 12g · Prying, lifting, quick-tool tasks

EDC Folding Metal Scissors

2CR13 Stainless Steel, satin silver · 90mm folded / 145mm open · 41.9g

WGS-005-3

The Morning Ritual

EXECUTIVE COMMUTE GIFT SET

From the morning bag to the working desk.

Titanium and brass. Commute, desk, and after-work — one set that covers three moments in the same working day. For executive gifting, finance, and premium client retention programs.

COMPONENTS — 3 PIECES

Brass Crown Bolt-Action Pen

Brass + aluminium + SS clip · 138mm · 28g · G2 refill · Bolt-action mechanism

Pure Titanium Capsule Bottle 150ml

Pure titanium body with food-grade PP lid · shirt-pocket size · 107–134g · No metallic taste · Food-grade

Titanium EDC Carabiner + Bottle Opener

Titanium alloy + brass locking core · 53×26×5mm · ~11g · Keychain + bottle opener

WGS-006-3

The First Day

NEW EMPLOYEE ONBOARDING KIT

Built for the first day at work.

Access. Setup. Desk. Three aluminium pieces supporting the new hire's first week — badge holder, 6-in-1 tool pen, pen holder. Brand visible from the first door entry, and present at the desk from day one.

COMPONENTS — 3 PIECES

RFID Aluminium Wallet & Badge Holder

Aluminium alloy with carbon fiber composite reinforcement · 95×60×10.5mm · 83g · 12 cards · RFID blocking · Silver or Gunmetal

6-in-1 Precision Metal Tool Pen

Zinc alloy, electroplated · 149mm · ~30g · Pen + LED + stylus + ruler + screwdriver + level

Precision Aluminium Pen Holder

6061-T6 aluminium, anodised · Ø100×80mm · ~500g · 2.5mm wall · Gunmetal or Silver

WGS-007-3

The Thinking Desk

CLIENT APPRECIATION GIFT SET

For desks where ideas, meetings, and long sessions happen.

Brass rollerball, brass spinning top, stainless desk cup. For client appreciation and focused work — three objects that belong to the desk routine, each with a different role through the day.

COMPONENTS — 3 PIECES

Artisan Brass Rollerball Pen

Solid brass barrel · weighted hand feel · daily writing and signatures

Precision Brass Spinning Top

CNC-machined solid brass · desk tactile object · calls, pauses, thinking time

Double-Wall Stainless Desk Cup

Stainless steel, double-wall insulated · warm drink beside the desk at all times

WGS-008-4

The Quartet

VIP EXECUTIVE GIFT SET

Ready before the first meeting.

Four-piece executive gift set for client-facing professionals. Brass pen, titanium cup, aluminium stand, stainless card case — four metals, four parts of the professional day. Writing, warm drinks, device viewing, card exchange.

COMPONENTS — 4 PIECES

Solid Brass Ballpoint Pen

Solid brass · 156mm × 7mm · 50g · Signatures + daily writing

Titanium Tea Infuser Business Cup

Pure titanium liner + titanium-gold exterior · 210mm × 65mm · 180g · 480ml · Removable infuser

Precision Folding Aluminium Device Stand

Anodised aluminium body + silicone contact pads · 182×60×18mm folded · 150g · Phone/tablet at eye level

Slim Push Stainless Business Card Case

Brushed stainless steel · 103×60mm · 80g · Thumb-push mechanism · 13–18 cards

Every surface. *Precisely marked.*

01 / Laser Marking

Laser engraving · annealing · etching

Permanent monochrome mark on brass, stainless steel, titanium, and anodised aluminium. Solid colour fills and fine line work both possible. Used on pen barrels, key organisers, money clips, and tumbler bodies.

02 / Colour Marking

UV printing · silk-screen · pad print

Full-colour or spot-colour brand marks on flat metal surfaces and packaging. Used when the brand requires Pantone match or multi-colour artwork on the product or gift box.

03 / Packaging Branding

Hot foil · blind deboss · printed sleeve

Hot foil stamping in gold/silver/copper, blind deboss for understated elegance, full-colour printed sleeves and inserts. Often combined with rigid box, magnetic closure, or tin can packaging.

04 / Upgrade Options

Soft-touch · printed liner · wood sleeve · waxed canvas pouch

Premium finish options that elevate the unboxing experience — soft-touch lamination on box exteriors, printed inside lid, wood-grain veneer sleeves, waxed canvas drawstring pouches for EDC sets.

infuser

ONE CONTACT · EVERY STEP

One contact. *Every step* accountable.

Curated, not catalogue

Every product passes the U.I.S.C. selection standard — Useful, Interesting, Substantial, Cohesive — before it reaches a brief.

Managed end-to-end sourcing

One contact handles brief, quote, sample, production, QC, FTA documentation, and shipment. No vendor pile-up on your side.

White-label as standard

Wischos name stays off products, packaging, and fulfilment documents — your brand and client relationship remain yours.

Verified material claims

Solid brass means brass. Pure titanium means titanium. Every spec is traceable to a factory document — no coated impersonations.

FTA Certificates of Origin

ChAFTA, NZ–China, CSFTA, CEPA, China–Switzerland — issued at no additional charge for qualifying shipments.

24-hour brief response

Send a brief on Monday. Receive set direction, materials recommendation, and indicative pricing by Tuesday.

Your brand. *On every* surface that matters.
